FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Agriculture** assume the proposal would not fiscally impact their agency.

Officials from the **Department of Public Safety - Division of Fire Safety (DPS)** state they currently administer the Explosives and Blast Safety program, as discussed in the proposal. DPS states this legislation adds individuals using explosives along with a well screen cleaning device to unblock clogged agriculture irrigation well screens to the list of individuals who are exempt from obtaining a blaster's license. This change will not fiscally impact our Division.

In response to a similar proposal from 2009 (HB 197), officials from **the Department of Natural Resources** assumed the proposal would not fiscally impact their agency.

<u>FISCAL IMPACT - State Government</u>	FY 2011 (10 Mo.)	FY 2012	FY 2013

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

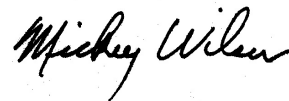

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
