

# JOURNAL OF THE HOUSE

Second Regular Session, 95th GENERAL ASSEMBLY

---

FORTY-FIFTH DAY, WEDNESDAY, MARCH 31, 2010

The House met pursuant to adjournment.

Speaker Richard in the Chair.

Prayer by Reverend James Earl Jackson.

We praise You, Lord God, the preeminent One, who reigns supreme over all things in Heaven and on Earth.

Lord God, our agenda may be filled with various bills to consider, but, ultimately, only the wisdom of Your agenda will prevail. You have already been where we are going yet we neglect to ask directions. You have already declared the beginning from the end, yet we move forward with our plans. You have made everything pleasing in its time.

You have also planted eternity in our hearts and minds [a divinely implanted sense of a purpose that only You, alone, can satisfy], yet we often seek to fill that longing in ways that contradict good order, discipline and rational.

Steady our thoughts, actions and words. Desperate, we throw ourselves on You: You are God! Our times and schedules are in Your hand, safe from the outstretched hand of selfishness, pride and fiscal instability.

So teach us to understand and properly access our days, that we may gain a heart of wisdom.

Now may the Lord, our God, who has loved us and given us everlasting consolation and good hope by grace, comfort our hearts and establish us in every good word and work.

In the name of Your Son, I pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Leah Pratt, Benjamin Pratt, Ava Pratt, Alexis Roark, Grace O'Neal Schad, Harry Truman Schad, Thomas Gray, Mason Gray, Katelyn Bird, Karissa Bird, Madison Gayer and Senator Jim Lembke.

The Journal of the forty-fourth day was approved as printed.

“84.020. In all cities of this state that now have, or may hereafter attain, a population of five hundred thousand inhabitants or over, there shall be, and is hereby established, within and for said cities, a board of police, to consist of [four] **seven** commissioners, as provided in sections 84.040 to 84.080, together with the mayor of said cities for the time being, or whosoever may be officially acting in that capacity, and said board shall appoint one of its members as president, and one member who shall act as vice president during the absence of the president; and such president or vice president shall be the executive officer of the board and shall act for it when the board is not in session.

84.030. **1.** Beginning on January 9, 1989, the governor of the state of Missouri, by and with the advice and consent of the senate, shall appoint [the] four **of the** commissioners provided for in section 84.020, and one commissioner shall be appointed for a term of one year; one commissioner shall be appointed for a term of two years; one commissioner shall be appointed for a term of three years; one commissioner shall be appointed for a term of four years. Their successors shall each be appointed for a term of four years, and said commissioners shall hold office for their term of appointment and until their successors shall have been appointed and qualified. In case of a vacancy in said board for any cause whatsoever, it shall be filled by appointment for the unexpired term, in the same manner as in the case of original appointments. The governor shall issue commissions to the persons so appointed, designating the time for which they are appointed in case the appointment is to fill an unexpired term occasioned by death, resignation or any other cause, and whenever the term of office of any commissioner expires, the appointment of his successor shall be for four years. The commissioners now holding offices under existing laws in any city of this state to which sections 84.010 to 84.340 apply are to hold their offices until the expiration of their terms, and their successors are duly appointed and qualified.

**2.** Beginning on January 1, 2011, the mayor of the city shall appoint three of the commissioners provided for in section 84.020, and one commissioner shall be appointed for a term of one year; one commissioner shall be appointed for a term of two years; and one commissioner shall be appointed for a term of three. Their successors shall each be appointed for a term of four years, and said commissioners shall hold office for their term of appointment and until their successors shall have been appointed and qualified. In case of a vacancy in said board for any cause whatsoever, it shall be filled by appointment for the unexpired term, in the same manner as in the case of original appointments. The mayor shall issue commissions to the persons so appointed, designating the time for which they are appointed in case the appointment is to fill an unexpired term occasioned by death, resignation or any other cause, and whenever the term of office of any commissioner expires, the appointment of his successor shall be for four years.

84.070. A majority of the boards of police shall constitute a quorum; and the failure or refusal of the mayor or acting mayor of said cities to qualify or act hereunder shall in no wise impair the right or duty of said commissioners to organize and proceed as herein provided in sections 84.010 to 84.340. In case a vacancy shall occur on said board, the same shall be filled by the governor of the state of Missouri **or the mayor of the city** forthwith, after having been notified that such vacancy exists.

84.080. **Except for members of the board of aldermen of the city appointed by the mayor as police commissioners under section 84.030 in their capacity as members of the board of aldermen**, any one of said commissioners, who, during his term of office, shall accept any other place of public trust or emolument, or who, during the same period, shall knowingly receive any nomination for an office elective by the people, without publicly declining same within twenty days succeeding such nomination, or shall become a candidate for the nomination for any office at the hands of any political party, shall be deemed to thereby forfeit or vacate his office. Any of said commissioners **appointed by the governor** may be removed by the governor of the state of Missouri upon his being fully satisfied that the commissioner is guilty of any official misconduct. **Any of said commissioners appointed by the mayor may be removed by the mayor of the city upon the mayor being fully satisfied that the commissioner is guilty of any official misconduct.**”; and

SENATE CONCURRENT RESOLUTION NO. 51

WHEREAS, the State of Missouri contains 553 miles of the Missouri River, which borders 23 Missouri counties and over 50 Missouri communities, making it one of the State's greatest natural resources; and

WHEREAS, the General Assembly recognizes that eighteen power plants, which have the capacity to generate over 11,000 megawatts of electricity, draw cooling water from the lower Missouri River basin; and

WHEREAS, over half of Missouri citizens get their drinking water from the Missouri River and its alluvium, and the State of Missouri has constructed infrastructure to support water supply in the lower Missouri River with the understanding that reliable navigation flows would be maintained in the future; and

WHEREAS, Missouri is the origin or destination for over one-half of all commercial tonnage shipments on the Missouri River, with the Port of St. Louis, just downstream from where the Missouri enters the Mississippi River, being one of the largest inland ports in the United States; and

WHEREAS, the Missouri River is a vital link in the State of Missouri's total transportation system and the General Assembly wishes to maximize this valuable asset in order to move freight and to support our state's economy; and

WHEREAS, barge transport allows for significant economic benefits and cost savings, since one barge can transport the same amount of freight as 16 rail cars or 70 trucks; and

WHEREAS, river transportation is the most environmentally friendly form of transporting goods and commodities, creating almost no noise pollution and emitting 35 to 60 percent fewer pollutants than either trucks or trains; and

WHEREAS, barges are also the most fuel efficient method of freight transport; barges can move one ton of cargo 576 miles per gallon of fuel, compared to 413 miles per gallon of fuel for rail cars and only 155 miles per gallon of fuel for trucks; and

WHEREAS, the General Assembly recognizes that the State of Missouri is investing more of its resources to develop and improve public ports as intermodal connectors in the state, including those on the Missouri River; and

WHEREAS, in the Flood Control Act of 1944, as amended, the United States Congress authorized the construction of the Missouri River Mainstem Reservoir System for the federal purposes of flood control and navigation, with other authorized purposes including irrigation, power, water supply, water quality and recreation; and

WHEREAS, the June 4, 2003 and August 16, 2005 decisions of the United States Court of Appeals of the Eighth Circuit confirmed that navigation and flood control are the two dominant functions of the Flood Control Act of 1944; and

WHEREAS, the Missouri River is operated in accordance with the updated Missouri River Master Water Control Manual, which contains the management plan for the River and was adopted by the United States Army Corps of Engineers in 2004; and

WHEREAS, the Missouri General Assembly recognizes that the United States Army Corps of Engineers utilized extensive public processes to complete the 2004 Missouri River Master Water Control Manual and worked to balance the needs and desires of many competing stakeholder groups in establishing the Manual's navigation guidelines; and

WHEREAS, the 2004 Missouri River Master Water Control Manual was finalized after 15 years of debate and litigation and after the expenditure of over \$35 million in federal funds; and

WHEREAS, the 2004 Missouri River Master Water Control Manual reduced the length of the navigation season, shifting a large amount of water away from navigation and other downstream uses of the Missouri River to benefit upstream uses, such as reservoir recreation; and

WHEREAS, despite the opposition of Missouri's congressional delegation, the Omnibus Appropriations Act of 2009 authorized the United States Army Corps of Engineers to conduct the Missouri River Authorized Purposes Study at a total cost of \$25,000,000, which will review the original authorized purposes from the Flood Control Act of 1944 and will determine if changes to those purposes and existing Federal water resources infrastructure may be warranted; and

WHEREAS, the United States Army Corps of Engineers began conducting the Missouri River Authorized Purposes Study in October of 2009; and

WHEREAS, the scope of the Missouri River Authorized Purposes Study, as defined by the United States Army Corps of Engineers, exceeds the scope of the Congressional authority for the study, in that the Corps intends to develop recommendations and alternatives to the authorized purposes that Congress did not request; and

WHEREAS, federal taxpayers' dollars should not be wasted to develop recommendations and alternatives that Congress did not authorize; and

WHEREAS, the Consolidated Appropriations Act of 2010 authorized the United States Department of Transportation to conduct an independent and comprehensive study and analysis at a total cost of \$2,000,000 to supplement the Missouri River Authorized Purposes Study and to develop a comprehensive understanding of the full value of river flow support to users in the Mississippi and Missouri Rivers; and

WHEREAS, the Consolidated Appropriations Act of 2010 also authorized the Missouri Department of Transportation to conduct a Missouri River Freight Corridor Study at a total cost of \$900,000, which will examine how to increase freight tonnage moved on the Missouri River, long-term development opportunities along the Missouri River corridor and ways to better use Missouri waterways to relieve infrastructure stress and congestion; and

WHEREAS, at times the Missouri River provides over sixty percent of the water in the Mississippi River that passes St. Louis; and

WHEREAS, if the navigability of the Mississippi River is negatively impacted between the confluence of the Missouri and Mississippi Rivers and the confluence of the Ohio and Mississippi Rivers, barges would no longer be able to travel from the far northern portions of the Mississippi River to the Gulf of Mexico, which would devastate the barge industry, the agricultural industry and the transportation system as a whole; and

WHEREAS, it is imperative that the Missouri River Authorized Purposes Study consider Mississippi River navigation when evaluating if changes to the authorized purposes are warranted:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-fifth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby express their continued opposition to the Missouri River Authorized Purposes Study; and

BE IT FURTHER RESOLVED that the members hereby express their opposition to the alteration of the Missouri River's primary purposes of navigation and flood control; and

BE IT FURTHER RESOLVED that the members hereby urge the Missouri's congressional delegation to actively oppose funding the Missouri River Authorized Purposes Study in future fiscal years; and

BE IT FURTHER RESOLVED that the members hereby urge the United States Army Corps of Engineers to narrow the scope of the Missouri River Authorized Purposes Study to make it consistent with Congressional authority; and

BE IT FURTHER RESOLVED that the members hereby urge the United States Army Corps of Engineers to include Mississippi River navigation in any evaluation of the authorized purposes under the Missouri River Authorized Purposes Study; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the United States Army Corps of Engineers and the members of the Missouri congressional delegation.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SCR 54**.

SENATE CONCURRENT RESOLUTION NO. 54

WHEREAS, the governor in his budget plan for 2011 relied on \$300 million in funds from the federal government that have not been approved by Congress and may never come to fruition; and

WHEREAS, revenues in Missouri continue to fall well below estimates prepared by the state, forcing the governor to cut funds already appropriated by the legislature in order to balance the budget; and

WHEREAS, at the same time revenues have declined, state government has grown over the years, producing unnecessary programs and inefficient allocations of funds; and

WHEREAS, the Missouri General Assembly through careful planning must identify inefficient and unnecessary areas of government spending in order to ensure the state's resources are being put to a use that most benefits the citizens of this state:

NOW THEREFORE BE IT RESOLVED by the members of the Missouri Senate, Ninety-fifth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby establish a Joint Interim Committee on Reducing the Size of State Government; and

BE IT FURTHER RESOLVED that the Committee shall be charged with the following:

1. Examining each department, and agency within each department, to determine programs or bureaucracies within such department that should be eliminated or reduced; and
2. Developing recommendations, strategies and plans for:
  - (1) Reducing the size of state government;
  - (2) Identifying inefficient and unnecessary uses of state funds;
  - (3) Addressing budget shortfalls; and
  - (4) Other areas that the Committee determines are vital to reducing the size of state government; and
3. Reporting its recommendations to the House Budget Committee and the Senate Appropriations Committee by December 31, 2010; and
4. Such other matters as the Joint Interim Committee may deem necessary in order to determine the proper course of future legislative and budgetary action regarding these issues; and

BE IT FURTHER RESOLVED that the Committee shall be composed of ten members, three majority party members, and two minority party members of the Senate, to be appointed by the President Pro Tem of the Senate, and three majority party members and two minority party members of the House of Representatives, to be appointed by the Speaker of the House of Representatives; and

BE IT FURTHER RESOLVED that the Joint Interim Committee is authorized to function during the legislative interim between the Second Regular Session of the Ninety-fifth General Assembly through December 31, 2010; and

BE IT FURTHER RESOLVED that the Joint Interim Committee may solicit input and information necessary to fulfill its obligations, including, but not limited to, soliciting input and information from any state department or agency the Joint Interim Committee deems relevant, political subdivisions of this State, and the general public; and

BE IT FURTHER RESOLVED that the staffs of Senate Appropriations, Senate Research, House Appropriations, House Research, and the Joint Committee on Legislative Research shall provide such legal, research, clerical, technical, and bill drafting services as the Joint Interim Committee may require in the performance of its duties; and

BE IT FURTHER RESOLVED that the actual and necessary expenses of the Joint Interim Committee, its members, and any staff assigned to the Joint Interim Committee incurred by the Joint Interim Committee shall be paid by the Joint Contingent Fund.

In which the concurrence of the House is respectfully requested.

## COMMUNICATION

March 31, 2010

Mr. D. Adam Crumbliss  
Chief Clerk  
Missouri House of Representatives  
State Capitol  
Jefferson City, MO 65101

Dear Mr. Crumbliss:

Pursuant to Section 105.461, RSMo, I am hereby filing a written report of a possible personal interest in legislation on which the House of Representatives voted today.

During the past year, I and my two law partners at the Barnes Law Firm have served as general counsel to the Fraternal Order of Police. The FOP is known to be strongly opposed to and greatly affected by the issue of local control.

Therefore, I voted "present" on all amendments and the final vote for House Committee Substitute for House Bill No. 1601 sponsored by Representative Nasheed and pertaining to local control the St. Louis Police Department.

In compliance with Section 105.461, RSMo, please publish this letter in the Journal of the House. I thank you for your attention to this matter.

Sincerely,

/s/ Jason Kander  
Representative  
District 44
