

HB 1230 -- Missouri Firearms Freedom Act

Sponsor: Davis

This bill establishes the Missouri Firearms Freedom Act. In its main provisions, the bill:

- (1) Asserts the right of the State of Missouri to regulate the intrastate use and acquisition of certain firearms pursuant to the reserved powers of the state over intrastate commerce and the Second Amendment right to keep and bear arms;
- (2) Specifies that certain personal firearms, firearm accessories, or ammunition manufactured in Missouri will not be subject to federal law or regulation;
- (3) Exempts firearms made for multiple person use, machine guns, firearms that discharge explosive projectiles, or firearms that use smokeless powder and fire a projectile greater than one-half inch in diameter from the provisions of the bill and subjects them to federal regulation; and
- (4) Requires firearms manufactured or sold in Missouri under the provisions of the bill to bear the words "Made in Missouri" stamped on a central metallic part.
