84 recorded as the property of, one or more persons or entities;

85 (14) "Redeveloped", the process of undertaking and carrying out a redevelopment plan

89 (15) "Redevelopment agreement", the redevelopment agreement or similar agreement
90 into which the applicant entered with a municipal authority and which is the agreement for the
91 implementation of the urban renewal plan or redevelopment plan pursuant to which the applicant
92 was appointed or selected as the redeveloper or by which the person or entity was qualified as
93 an applicant under this section; and such appointment or selection shall have been approved by
94 an ordinance of the governing body of the municipality, or municipalities, or in the case of any
95 city not within a county, the board of aldermen, in which the eligible project area is located. The
96 redevelopment agreement shall include a time line for redevelopment of the eligible project area.
97 The redevelopment agreement shall state that the named developer shall be subject to the
98 provisions of chapter 290.

99 3. Any applicant shall be entitled to a tax credit against the taxes imposed under chapters
100 143, 147, and 148, except for sections 143.191 to 143.265, in an amount equal to fifty percent
101 of the acquisition costs, and one hundred percent of the interest costs incurred for a period of five
102 years after the acquisition of an eligible parcel. No tax credits shall be issued under this section
103 until after January 1, 2008.

104 4. If the amount of such tax credit exceeds the total tax liability for the year in which the
105 applicant is entitled to receive a tax credit, the amount that exceeds the state tax liability may be
106 carried forward for credit against the taxes imposed under chapters 143, 147, and 148 for the
107 succeeding six years, or until the full credit is used, whichever occurs first. The applicant shall
108 not be entitled to a tax credit for taxes imposed under sections 143.191 to 143.265. Applicants
109 entitled to receive such tax credits may transfer, sell, or assign the tax credits. Tax credits
110 granted to a partnership, a limited liability company taxed as a partnership, or multiple owners
111 of property shall be passed through to the partners, members, or owners respectively pro rata or
112 pursuant to an executed agreement among the partners, members, or owners documenting an
113 alternate distribution method.

114 5. A purchaser, transferee, or assignee of the tax credits authorized under this section
115 may use acquired tax credits to offset up to one hundred percent of the tax liabilities otherwise
116 imposed under chapters 143, 147, and 148, except for sections 143.191 to 143.265. A seller,
117 transferor, or assignor shall perfect such transfer by notifying the department in writing within
118 thirty calendar days following the effective date of the transfer and shall provide any information
119 as may be required by the department to administer and carry out the provisions of this section.

120 6. To claim tax credits authorized under this section, an applicant shall submit to the
121 department an application for a certificate. An applicant shall identify the boundaries of the
122 eligible project area in the application. The department shall verify that the applicant has
123 submitted a valid application in the form and format required by the department. The department
124 shall verify that the municipal authority held the requisite hearings and gave the requisite notices

125 for such hearings in accordance with the applicable economic incentive act, and municipal
126 ordinances. On an annual basis, an applicant may file for the tax credit for the acquisition costs,
127 and for the tax credit for the interest costs, subject to the limitations of this section. If an
128 applicant applying for the tax credit meets the criteria required under this section, the department
129 shall issue a certificate in the appropriate amount. If an applicant receives a tax credit for
130 maintenance costs as a part of the applicant's acquisition costs, the department shall post on its
131 Internet website the amount and type of maintenance costs and a description of the
132 redevelopment project for which the applicant received a tax credit within thirty days after the
133 department issues the certificate to the applicant.

134 7. The total aggregate amount of tax credits authorized under this section shall not
135 exceed ninety-five million dollars. At no time shall the annual amount of the tax credits issued
136 under this section exceed twenty million dollars. If the tax credits that are to be issued under this
137 section exceed, in any year, the twenty million dollar limitation, the department shall either:

138 (1) Issue tax credits to the applicant in the amount of twenty million dollars, if there is
139 only one applicant entitled to receive tax credits in that year; or

140 (2) Issue the tax credits on a pro rata basis to all applicants entitled to receive tax credits
141 in that year. Any amount of tax credits, which an applicant is, or applicants are, entitled to
142 receive on an annual basis and are not issued due to the twenty million dollar limitation, shall
143 be carried forward for the benefit of the applicant or applicants to subsequent years. No tax
144 credits provided under this section shall be authorized after August 28, 2013. Any tax credits
145 which have been authorized on or before August 28, 2013, but not issued, may be issued, subject
146 to the limitations provided under this subsection, until all such authorized tax credits have been
147 issued.

148 8. Upon issuance of any tax credits pursuant to this section, the department shall report
149 to the municipal authority the applicant's name and address, the parcel numbers of the eligible
150 parcels for which the tax credits were issued, the itemized acquisition costs and interest costs for
151 which tax credits were issued, and the total value of the tax credits issued. The municipal
152 authority and the state shall not consider the amount of the tax credits as an applicant's cost, but
153 shall include the tax credits in any sources and uses and cost benefit analysis reviewed or created
154 for the purpose of awarding other economic incentives. The amount of the tax credits shall not
155 be considered an applicant's cost in the evaluation of the amount of any award of any other
156 economic incentives, but shall be considered in measuring the reasonableness of the rate of
157 return to the applicant with respect to such award of other economic incentives. The municipal
158 authority shall provide the report to any relevant commission, board, or entity responsible for the
159 evaluation and recommendation or approval of other economic incentives to assist in the
160 redevelopment of the eligible project area. Tax credits authorized under this section shall

161 constitute redevelopment tax credits, as such term is defined under section 135.800, and shall
162 be subject to all provisions applicable to redevelopment tax credits provided under sections
163 135.800 to 135.830.

164 9. The department may promulgate rules to implement the provisions of this section.
165 Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the
166 authority delegated in this section shall become effective only if it complies with and is subject
167 to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and
168 chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant
169 to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are
170 subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed
171 or adopted after August 28, 2007, shall be invalid and void.
