565.004. 1. Each homicide offense which is lawfully joined in the same indictment or 2 information together with any homicide offense or offense other than a homicide shall be 3 charged together with such offense in separate counts. A count charging any offense of homicide 4 may only be charged and tried together with one or more counts of any other homicide or offense 5 other than a homicide as provided in subsection 2 of section 545.140. Except as provided in 6 subsections 2, 3, and 4 of this section, no murder in the first degree offense may be tried together 7 with any offense other than murder in the first degree. In the event of a joinder of homicide 8 offenses, all offenses charged which are supported by the evidence in the case, together with all 9 proper lesser offenses under section 565.025, shall, when requested by one of the parties or the 10 court, be submitted to the jury or, in a jury-waived trial, considered by the judge.

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

11           2. A count charging any offense of homicide of a particular individual may be joined in  
12 an indictment or information and tried with one or more counts charging alternatively any other  
13 homicide or offense other than a homicide committed against that individual. The state shall not  
14 be required to make an election as to the alternative count on which it will proceed. This  
15 subsection in no way limits the right to try in the conjunctive, where they are properly joined  
16 under subsection 1 of this section, either separate offenses other than murder in the first degree  
17 or separate offenses of murder in the first degree committed against different individuals.

18           3. When a defendant has been charged and proven before trial to be a prior offender

20 other than murder in the first degree, that offense may be tried and submitted to the trier together  
21 with any murder in the first degree charge with which it is lawfully joined. In such case the  
22 judge will assess punishment on any offense joined with a murder in the first degree charge

26 may be tried and submitted to the trier together with any other charge with which it is lawfully  
27 joined.]

          565.006. 1. At any time before the commencement of the trial of a homicide offense,  
2 the defendant may, with the assent of the court, waive a trial by jury and agree to submit all  
3 issues in the case to the court, whose finding shall have the force and effect of a verdict of a jury.  
4 Such a waiver must include a waiver of a trial by jury of all issues and offenses charged in the  
5 case, including the punishment to be assessed and imposed if the defendant is found guilty.

6           2. No defendant who pleads guilty to a homicide offense or who is found guilty of a  
7 homicide offense after trial to the court without a jury shall be permitted a trial by jury on the  
8 issue of the punishment to be imposed, except by agreement of the state.

9           3. [If a defendant is found guilty of murder in the first degree after a jury trial in which  
10 the state has not waived the death penalty, the defendant may not waive a jury trial of the issue  
11 of the punishment to be imposed, except by agreement with the state and the court.

2 unconstitutional,] Any person convicted of murder in the first degree [shall be] **and** sentenced  
3 by the court to **death prior to August 28, 2011, shall be sentenced by the court to** life  
4 imprisonment without eligibility for probation, parole, or release except by act of the governor[,  
5 with the exception that when a specific aggravating circumstance found in a case is held to be  
6 unconstitutional or invalid for another reason, the supreme court of Missouri is further authorized  
7 to remand the case for resentencing or retrial of the punishment pursuant to subsection 5 of  
8 section 565.036.

9 2. In the event that any death sentence imposed pursuant to this chapter is held to be  
10 unconstitutional, the trial court which previously sentenced the defendant to death shall cause  
11 the defendant to be brought before the court and shall sentence the defendant to life  
12 imprisonment without eligibility for probation, parole, or release except by act of the governor,  
13 with the exception that when a specific aggravating circumstance found in a case is held to be  
14 inapplicable, unconstitutional or invalid for another reason, the supreme court of Missouri is

16 section 565.035].

5

2 [565.030. 1. Where murder in the first degree is charged but not  
3 submitted or where the state waives the death penalty, the submission to the trier  
4 and all subsequent proceedings in the case shall proceed as in all other criminal  
5 cases with a single stage trial in which guilt and punishment are submitted  
6 together.

7 2. Where murder in the first degree is submitted to the trier without a  
8 waiver of the death penalty, the trial shall proceed in two stages before the same  
9 trier. At the first stage the trier shall decide only whether the defendant is guilty  
10 or not guilty of any submitted offense. The issue of punishment shall not be  
11 submitted to the trier at the first stage. If an offense is charged other than murder  
12 in the first degree in a count together with a count of murder in the first degree,  
13 the trial judge shall assess punishment on any such offense according to law, after  
14 the defendant is found guilty of such offense and after he finds the defendant to  
15 be a prior offender pursuant to chapter 558.

16 3. If murder in the first degree is submitted and the death penalty was not  
17 waived but the trier finds the defendant guilty of a lesser homicide, a second  
18 stage of the trial shall proceed at which the only issue shall be the punishment to  
19 be assessed and declared. No further evidence shall be received. If the trier is a  
20 jury it shall be instructed on the law. The attorneys may then argue as in other  
21 criminal cases the issue of punishment, after which the trier shall assess and  
22 declare the punishment as in all other criminal cases.

23 4. If the trier at the first stage of a trial where the death penalty was not  
24 waived finds the defendant guilty of murder in the first degree, a second stage of  
25 the trial shall proceed at which the only issue shall be the punishment to be  
26 assessed and declared. Evidence in aggravation and mitigation of punishment,  
27 including but not limited to evidence supporting any of the aggravating or  
28 mitigating circumstances listed in subsection 2 or 3 of section 565.032, may be  
29 presented subject to the rules of evidence at criminal trials. Such evidence may  
30 include, within the discretion of the court, evidence concerning the murder victim  
31 and the impact of the crime upon the family of the victim and others. Rebuttal  
32 and surrebuttal evidence may be presented. The state shall be the first to proceed.  
33 If the trier is a jury it shall be instructed on the law. The attorneys may then  
34 argue the issue of punishment to the jury, and the state shall have the right to  
35 open and close the argument. The trier shall assess and declare the punishment  
36 at life imprisonment without eligibility for probation, parole, or release except by  
37 act of the governor:

38 (1) If the trier finds by a preponderance of the evidence that the defendant  
39 is mentally retarded; or

40 (2) If the trier does not find beyond a reasonable doubt at least one of the  
41 statutory aggravating circumstances set out in subsection 2 of section 565.032;  
42 or

43 (3) If the trier concludes that there is evidence in mitigation of  
punishment, including but not limited to evidence supporting the statutory

44 mitigating circumstances listed in subsection 3 of section 565.032, which is  
45 sufficient to outweigh the evidence in aggravation of punishment found by the  
46 trier; or

47 (4) If the trier decides under all of the circumstances not to assess and  
48 declare the punishment at death. If the trier is a jury it shall be so instructed. If  
49 the trier assesses and declares the punishment at death it shall, in its findings or  
50 verdict, set out in writing the aggravating circumstance or circumstances listed  
51 in subsection 2 of section 565.032 which it found beyond a reasonable doubt. If  
52 the trier is a jury it shall be instructed before the case is submitted that if it is  
53 unable to decide or agree upon the punishment the court shall assess and declare  
54 the punishment at life imprisonment without eligibility for probation, parole, or  
55 release except by act of the governor or death. The court shall follow the same  
56 procedure as set out in this section whenever it is required to determine  
57 punishment for murder in the first degree.

58 5. Upon written agreement of the parties and with leave of the court, the  
59 issue of the defendant's mental retardation may be taken up by the court and  
60 decided prior to trial without prejudicing the defendant's right to have the issue  
61 submitted to the trier of fact as provided in subsection 4 of this section.

62 6. As used in this section, the terms "mental retardation" or "mentally  
63 retarded" refer to a condition involving substantial limitations in general  
64 functioning characterized by significantly subaverage intellectual functioning  
65 with continual extensive related deficits and limitations in two or more adaptive  
66 behaviors such as communication, self-care, home living, social skills,  
67 community use, self-direction, health and safety, functional academics, leisure  
68 and work, which conditions are manifested and documented before eighteen  
69 years of age.

70 7. The provisions of this section shall only govern offenses committed  
71 on or after August 28, 2001.]

72

2 [565.032. 1. In all cases of murder in the first degree for which the death  
3 penalty is authorized, the judge in a jury-waived trial shall consider, or he shall  
4 include in his instructions to the jury for it to consider:

5 (1) Whether a statutory aggravating circumstance or circumstances  
6 enumerated in subsection 2 of this section is established by the evidence beyond  
7 a reasonable doubt; and

8 (2) If a statutory aggravating circumstance or circumstances is proven  
9 beyond a reasonable doubt, whether the evidence as a whole justifies a sentence  
10 of death or a sentence of life imprisonment without eligibility for probation,  
11 parole, or release except by act of the governor. In determining the issues  
12 enumerated in subdivisions (1) and (2) of this subsection, the trier shall consider  
13 all evidence which it finds to be in aggravation or mitigation of punishment,  
14 including evidence received during the first stage of the trial and evidence  
supporting any of the statutory aggravating or mitigating circumstances set out

15 in subsections 2 and 3 of this section. If the trier is a jury, it shall not be  
16 instructed upon any specific evidence which may be in aggravation or mitigation  
17 of punishment, but shall be instructed that each juror shall consider any evidence  
18 which he considers to be aggravating or mitigating.

19 2. Statutory aggravating circumstances for a murder in the first degree  
20 offense shall be limited to the following:

5 court trying the case, within ten days after receiving the transcript, shall transmit  
6 the entire record and transcript to the supreme court together with a notice  
7 prepared by the circuit clerk and a report prepared by the trial judge. The notice  
8 shall set forth the title and docket number of the case, the name of the defendant  
9 and the name and address of his attorney, a narrative statement of the judgment,  
10 the offense, and the punishment prescribed. The report by the judge shall be in

13 as any errors enumerated by way of appeal.

14                   3. With regard to the sentence, the supreme court shall determine:

15                   (1) Whether the sentence of death was imposed under the influence of  
16 passion, prejudice, or any other arbitrary factor; and

17                   (2) Whether the evidence supports the jury's or judge's finding of a  
18 statutory aggravating circumstance as enumerated in subsection 2 of section  
19 565.032 and any other circumstance found;

20                   (3) Whether the sentence of death is excessive or disproportionate to the  
21 penalty imposed in similar cases, considering both the crime, the strength of the  
22 evidence and the defendant.

23                   4. Both the defendant and the state shall have the right to submit briefs  
24 within the time provided by the supreme court, and to present oral argument to  
25 the supreme court.

26                   5. The supreme court shall include in its decision a reference to those  
27 similar cases which it took into consideration. In addition to its authority  
28 regarding correction of errors, the supreme court, with regard to review of death  
29 sentences, shall be authorized to:

30                   (1) Affirm the sentence of death; or

31                   (2) Set the sentence aside and resentence the defendant to life  
32 imprisonment without eligibility for probation, parole, or release except by act  
33 of the governor; or

34                   (3) Set the sentence aside and remand the case for retrial of the  
35 punishment hearing. A new jury shall be selected or a jury may be waived by  
36 agreement of both parties and then the punishment trial shall proceed in  
37 accordance with this chapter, with the exception that the evidence of the guilty  
38 verdict shall be admissible in the new trial together with the official transcript of  
39 any testimony and evidence properly admitted in each stage of the original trial  
40 where relevant to determine punishment.

41                   6. There shall be an assistant to the supreme court, who shall be an  
42 attorney appointed by the supreme court and who shall serve at the pleasure of  
43 the court. The court shall accumulate the records of all cases in which the  
44 sentence of death or life imprisonment without probation or parole was imposed  
45 after May 26, 1977, or such earlier date as the court may deem appropriate. The  
46 assistant shall provide the court with whatever extracted information the court  
47 desires with respect thereto, including but not limited to a synopsis or brief of the  
48 facts in the record concerning the crime and the defendant. The court shall be  
49 authorized to employ an appropriate staff, within the limits of appropriations  
50 made for that purpose, and such methods to compile such data as are deemed by  
51 the supreme court to be appropriate and relevant to the statutory questions  
52 concerning the validity of the sentence. The office of the assistant to the supreme  
53 court shall be attached to the office of the clerk of the supreme court for  
54 administrative purposes.

55                   7. In addition to the mandatory sentence review, there shall be a right of  
56 direct appeal of the conviction to the supreme court of Missouri. This right of
