

# JOURNAL OF THE HOUSE

First Regular Session, 96th GENERAL ASSEMBLY

FOURTEENTH DAY, MONDAY, JANUARY 31, 2011

The House met pursuant to adjournment.

Speaker Pro Tem Schoeller in the Chair.

Prayer by Pastor Paul Meinsen.

Through the prophet, Isaiah, the LORD stated, *"For I am God, and there is no other; I am God, and there is no one like Me, declaring the end from the beginning, and from ancient times things which have not been done, Saying, 'My purpose will be established, And I will accomplish all My good pleasure'...Truly I have spoken; truly I will bring it to pass. I have planned it, surely I will do it."* (Isaiah 46:9-10)

Father, I pray this afternoon for Your mercies as the winter storm approaches. May we all see those around us who are in need and may we personally extend a hand of compassion in helping them.

I also pray, O Lord, for these You have ordained to lead the state of Missouri. May they govern in a way which glorifies You. May they seek that which is righteous and may they defend it with honor. In their discourses may they speak with respect for all.

I pray too, O Lord, for my fellow citizens of this great state. I pray that we will learn what it means to respect and honor those You have appointed to lead. Too many times, we have prayed for these leaders out of one side of our mouth and then spoken words of scorn, hatred and dishonor from the other. Instead, Lord, even if we disagree on issues, may we always show the honor due to these servants of Yours – honor which You have commanded in Your Scripture.

May we all learn to fear You and You alone. Draw each one unto Yourself.

We call upon You in this prayer. Please answer and be glorified. For You are good and Your love endures forever.

To the honor of Your name, O Lord, I pray in Your Son's name. Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the thirteenth day was approved as printed by the following vote:

## PERFECTION OF HOUSE BILL

**HCS HB 163**, relating to unemployment compensation benefits, was taken up by Representative Fisher.

Representative Richardson offered **House Amendment No. 1**.

### *House Amendment No. 1*

AMEND House Committee Substitute for House Bill No. 163, Page 7, Section 288.062, Line 208, by inserting after all of said line the following:

“288.330. 1. Benefits shall be deemed to be due and payable only to the extent that moneys are available to the credit of the unemployment compensation fund and neither the state nor the division shall be liable for any amount in excess of such sums. The governor is authorized to apply for an advance to the state unemployment fund and to accept the responsibility for the repayment of such advance in order to secure to this state and its citizens the advantages available under the provisions of federal law.

2. (1) The purpose of this subsection is to provide a method of providing funds for the payment of unemployment benefits or maintaining an adequate fund balance in the unemployment compensation fund, and as an alternative to borrowing or obtaining advances from the federal unemployment trust fund or for refinancing those loans or advances.

(2) For the purposes of this subsection, "credit instrument" means any type of borrowing obligation issued under this section, including any bonds, commercial line of credit note, tax anticipation note or similar instrument.

(3) (a) There is hereby created for the purposes of implementing the provisions of this subsection a body corporate and politic to be known as the "Board of Unemployment Fund Financing". The powers of the board shall be vested in five board members who shall be the governor, lieutenant governor, attorney general, director of the department of labor, and the commissioner of administration. The board shall have all powers necessary to effectuate its purposes including, without limitation, the power to provide a seal, keep records of its proceedings, and provide for professional services. The governor shall serve as chair, the lieutenant governor shall serve as vice chair, and the commissioner of administration shall serve as secretary. Staff support for the board shall be provided by the commissioner of administration.

(b) Notwithstanding the provisions of any other law to the contrary:

a. No officer or employee of this state shall be deemed to have forfeited or shall forfeit his or her office or employment by reason of his or her acceptance of an appointment as a board member or for his or her service to the board;

b. Board members shall receive no compensation for the performance of their duties under this subsection, but each commissioner shall be reimbursed from the funds of the commission for his or her actual and necessary expenses incurred in carrying out his or her official duties under this subsection.

(c) In the event that any of the board members or officers of the board whose signatures or facsimile signatures appear on any credit instrument shall cease to be board members or officers before the delivery of such credit instrument, their signatures or facsimile signatures shall be valid and sufficient for all purposes as if such board members or officers had remained in office until delivery of such credit instrument.

(d) Neither the board members executing the credit instruments of the board nor any other board members shall be subject to any personal liability or accountability by reason of the issuance of the credit instruments.

(4) The board is authorized, by offering for public negotiated sale, to issue, sell, and deliver credit instruments, bearing interest at a fixed or variable rate as shall be determined by the board[, which shall mature no later than ten years after issuance,] in the name of the board in an amount determined by the board. Such credit instruments may be issued, sold, and delivered for the purposes set forth in subdivision (1) of this subsection. Such credit instrument may only be issued upon the approval of a resolution authorizing such issuance by a simple majority of the members of the board, with no other proceedings required.

(5) The board shall provide for the payment of the principal of the credit instruments, any redemption premiums, the interest on the credit instruments, and the costs attributable to the credit instruments being issued or outstanding as provided in this chapter. Unless the board directs otherwise, the credit instrument shall be repaid in the same time frame and in the same amounts as would be required for loans issued pursuant to 42 U.S.C. Section 1321[; however, in no case shall credit instruments be outstanding for more than ten years].

(6) The board may irrevocably pledge money received from the credit instrument and financing agreement repayment surcharge under subsection 3 of section 288.128, and other money legally available to it, which is deposited in an account authorized for credit instrument repayment in the special employment security fund, provided that the general assembly has first appropriated moneys received from such surcharge and other moneys deposited in such account for the payment of credit instruments.

(7) Credit instruments issued under this section shall not constitute debts of this state or of the board or any agency, political corporation, or political subdivision of this state and are not a pledge of the faith and credit of this state, the board or of any of those governmental entities and shall not constitute an indebtedness within the meaning of any constitutional or statutory limitation upon the incurring of indebtedness. The credit instruments are payable only from revenue provided for under this chapter. The credit instruments shall contain a statement to the effect that:

(a) Neither the state nor the board nor any agency, political corporation, or political subdivision of the state shall be obligated to pay the principal or interest on the credit instruments except as provided by this section; and

(b) Neither the full faith and credit nor the taxing power of the state nor the board nor any agency, political corporation, or political subdivision of the state is pledged to the payment of the principal, premium, if any, or interest on the credit instruments.

(8) The board pledges and agrees with the owners of any credit instruments issued under this section that the state will not limit or alter the rights vested in the board to fulfill the terms of any agreements made with the owners or in any way impair the rights and remedies of the owners until the credit instruments are fully discharged.

(9) The board may prescribe the form, details, and incidents of the credit instruments and make such covenants that in its judgment are advisable or necessary to properly secure the payment thereof. If such credit instruments shall be authenticated by the bank or trust company acting as registrar for such by the manual signature of a duly authorized officer or employee thereof, the duly authorized officers of the board executing and attesting such credit instruments may all do so by facsimile signature provided such signatures have been duly filed as provided in the uniform facsimile signature of public officials law, sections 105.273 to 105.278, when duly authorized by resolution of the board, and the provisions of section 108.175 shall not apply to such credit instruments. The board may provide for the flow of funds and the establishment and maintenance of separate accounts within the special employment security fund, including the interest and sinking account, the reserve account, and other necessary accounts, and may make additional covenants with respect to the credit instruments in the documents authorizing the issuance of credit instruments including refunding credit instruments. The resolutions authorizing the issuance of credit instruments may also prohibit the further issuance of credit instruments or other obligations payable from appropriated moneys or may reserve the right to issue additional credit instruments to be payable from appropriated moneys on a parity with or subordinate to the lien and pledge in support of the credit instruments being issued and may contain other provisions and covenants as determined by the board, provided that any terms, provisions or covenants provided in any resolution of the board shall not be inconsistent with the provisions of this section.

(10) The board may issue credit instruments to refund all or any part of the outstanding credit instruments issued under this section including matured but unpaid interest. As with other credit instruments issued under this section, such refunding credit instruments may bear interest at a fixed or variable rate as determined by the board.

(11) The credit instruments issued by the board, any transaction relating to the credit instruments, and profits made from the sale of the credit instruments are free from taxation by the state or by any municipality, court, special district, or other political subdivision of the state.

(12) As determined necessary by the board the proceeds of the credit instruments less the cost of issuance shall be placed in the state's unemployment compensation fund and may be used for the purposes for which that fund may otherwise be used. If those net proceeds are not placed immediately in the unemployment compensation fund they shall be held in the special employment security fund in an account designated for that purpose until they are transferred to the unemployment compensation fund provided that the proceeds of refunding credit instruments may be placed in an escrow account or such other account or instrument as determined necessary by the board.

(13) The board may enter into any contract or agreement deemed necessary or desirable to effectuate cost-effective financing hereunder. Such agreements may include credit enhancement, credit support, or interest rate agreements including, but not limited to, arrangements such as municipal bond insurance; surety bonds; tax anticipation notes; liquidity facilities; forward agreements; tender agreements; remarketing agreements; option agreements; interest rate swap, exchange, cap, lock or floor agreements; letters of credit; and purchase agreements. Any fees or costs associated with such agreements shall be deemed administrative expenses for the purposes of calculating the credit instrument and financing agreement repayment surcharge under subsection 3 of section 288.128. The board, with consideration of all other costs being equal, shall give preference to Missouri-headquartered financial institutions, or those out-of-state-based financial institutions with at least one hundred Missouri employees.

(14) To the extent this section conflicts with other laws the provisions of this section prevail. This section shall not be subject to the provisions of sections 23.250 to 23.298.

(15) If the United States Secretary of Labor holds that a provision of this subsection or of any provision related to the levy or use of the credit instrument and financial agreement repayment surcharge does not conform with a federal statute or would result in the loss to the state of any federal funds otherwise available to it the board, in cooperation with the department of labor and industrial relations, may administer this subsection, and other provisions related to the credit instrument and financial agreement repayment surcharge, to conform with the federal statute until the general assembly meets in its next regular session and has an opportunity to amend this subsection or other sections, as applicable.

(16) Nothing in this chapter shall be construed to prohibit the officials of the state from borrowing from the government of the United States in order to pay unemployment benefits under subsection 1 of this section or otherwise.

(17) (a) As used in this subdivision the term "lender" means any state or national bank.

(b) The board is authorized to enter financial agreements with any lender for the purposes set forth in subdivision (1) of this subsection, or to refinance other financial agreements in whole or in part, upon the approval of the simple majority of the members of the board of a resolution authorizing such financial agreements, with no other proceedings required. [In no instance shall the outstanding obligation under any financial agreement continue for more than ten years.] Repayment of obligations to lenders shall be made from the special employment security fund, section 288.310, subject to appropriation by the general assembly.

(c) Financial agreements entered into under this subdivision shall not constitute debts of this state or of the board or any agency, political corporation, or political subdivision of this state and are not a pledge of the faith and credit of this state, the board or of any of those governmental entities and shall not constitute an indebtedness within the meaning of any constitutional or statutory limitation upon the incurring of indebtedness. The financial agreements are payable only from revenue provided for under this chapter. The financial agreements shall contain a statement to the effect that:

a. Neither the state nor the board nor any agency, political corporation, or political subdivision of the state shall be obligated to pay the principal or interest on the financial agreements except as provided by this section; and

b. Neither the full faith and credit nor the taxing power of the state nor the board nor any agency, political corporation, or political subdivision of the state is pledged to the payment of the principal, premium, if any, or interest on the financial agreements.

(d) Neither the board members executing the financial agreements nor any other board members shall be subject to any personal liability or accountability by reason of the execution of such financial agreements.

(e) The board may prescribe the form, details and incidents of the financing agreements and make such covenants that in its judgment are advisable or necessary to properly secure the payment thereof provided that any terms, provisions or covenants provided in any such financing agreement shall not be inconsistent with the provisions of this section. If such financing agreements shall be authenticated by the bank or trust company acting as registrar for such by the manual signature of a duly authorized officer or employee thereof, the duly authorized officers of the board executing and attesting such financing agreements may all do so by facsimile signature provided such signatures have been duly filed as provided in the uniform facsimile signature of public officials law, sections 105.273 to 105.278, when duly authorized by resolution of the board and the provisions of section 108.175 shall not apply to such financing agreements.

(18) The commission may issue credit instruments to refund all or any part of the outstanding borrowing issued under this section including matured but unpaid interest.

(19) The credit instruments issued by the commission, any transaction relating to the credit instruments, and profits made from the issuance of credit are free from taxation by the state or by any municipality, court, special district, or other political subdivision of the state.

3. In event of the suspension of this law, any unobligated funds in the unemployment compensation fund, and returned by the United States Treasurer because such Federal Social Security Act is inoperative, shall be held in custody by the treasurer and under supervision of the division until the legislature shall provide for the disposition thereof. In event no disposition is made by the legislature at the next regular meeting subsequent to suspension of said law, then all unobligated funds shall be returned ratably to those who contributed thereto.

4. For purposes of this section, as contained in senate substitute no. 2 for senate committee substitute for house substitute for house committee substitute for house bill nos. 1268 and 1211, ninety-second general assembly, second regular session, the revisor of statutes shall renumber subdivision (16) of subsection 2 of such section as subdivision (17) of such subsection and renumber subdivision (17) of subsection 2 of such section as subdivision (16) of such subsection.""; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Richardson, **House Amendment No. 1** was adopted by the following vote:
