

HCS HB 294, 123, 125, 113, 271 & 215 -- FIREARMS (Riddle)

COMMITTEE OF ORIGIN: Committee on General Laws

This substitute changes the laws regarding firearms, ammunition, and concealed carry endorsements. In its main provisions, the substitute:

(1) Prohibits the sales tax on any firearms or ammunition from being levied at a higher rate than for any sales tax or other excise tax charged on any sporting goods or equipment or any hunting equipment (Section 144.064, RSMo);

(2) Allows a person to possess, manufacture, transport, repair, or sell a machine gun, short barreled rifle or shotgun, or firearm silencer if he or she conforms with federal law. A person will not commit a crime if he or she possesses, manufactures, transports, repairs, or sells an explosive weapon; explosive, incendiary, or poisonous substance or material; a gas gun; a switchblade knife; certain explosive bullets; or knuckles if he or she conforms with federal law. A person who possesses, manufactures, transports, repairs, or sells a machine gun, short barreled rifle or shotgun, or firearm silencer in violation of federal law will be guilty of a class C felony (Section 571.020);

(3) Specifies that a person commits the crime of unlawful use of weapons if he or she knowingly possesses a firearm while also in possession of controlled substances that are sufficient for a felony violation under Section 195.202, unless the possession is reasonably associated with or is necessary to the fulfillment of the person's official duties; removes a requirement that some specified uses of a firearm will not be a crime when the use was reasonably associated with or necessary to the fulfillment of a person's official duties; exempts any federal probation officer or federal flight deck officer, whether on or off duty and whether within or outside of his or her agency's jurisdiction; and any member of a fire department, who is employed on a full-time basis as a fire investigator and has met the training requirements for a concealed carry endorsement from the crime of unlawful use of weapons. No person who pleads guilty to or is found guilty of a felony violation of the unlawful use of weapons can receive a suspended imposition of sentence if the person has previously received a suspended imposition of sentence for any other firearms or weapons related felony offense (Section 571.030);

(4) Creates the crime of fraudulent purchase of a firearm, a class D felony, if a person knowingly solicits, persuades, encourages, or entices a licensed dealer or private seller of firearms or ammunition to transfer a firearm or ammunition under

circumstances which the person knows would violate federal or state laws; provides to a licensed dealer or private seller of firearms or ammunition what the person knows to be materially false information with the intent to deceive the dealer or seller about the legality of a transfer of a firearm or ammunition; or willfully procures another to violate these provisions (Section 571.063);

(5) Repeals non-penalty merchandising practices provisions, in Sections 407.500 and 407.505, which restrict the sale of rifles and shotguns by requiring purchasers or sellers to live in Missouri or a contiguous state and to conform to federal and state gun regulations. Currently, handguns are not subject to this merchandising practice regulation because all permit requirements for purchasing a handgun have been repealed. The substitute applies this practice to all types of firearms by allowing a Missouri resident or the resident of any state to purchase any firearm if he or she conforms to federal laws and the laws of the state in which he or she resides (Sections 571.085 and 571.087);

(6) Lowers the age at which a person can obtain a concealed carry endorsement from 23 to 21 years of age (Sections 571.101 and 571.117);

(7) Specifies that current provisions do not preclude a member of the General Assembly, a full-time or legislative employee of the General Assembly, or statewide elected officials and their employees who hold a valid concealed carry endorsement from carrying a concealed firearm in the State Capitol Building (Section 571.107);

(8) Specifies that no political subdivision can enact or enforce any order or ordinance that prohibits the use of pneumatic guns at shooting ranges, on other property where firearms may be discharged, or on or within private property with the permission of the owner when conducted with reasonable care to prevent a projectile from crossing the property's boundary lines (Section 1); and

(9) Allows the Attorney General to establish a public web site that publishes the names of municipalities and counties who do not allow the open carry of firearms and allows these municipalities and counties to forward their ordinances to the Attorney General if they wish (Section 2).
