This bill establishes the Transparency in Private Attorney Contracts Act. In its main provisions, the bill:

- (2) Requires the Attorney General if the determination to contract with a private attorney is made to request proposals from private attorneys to represent the state on a contingency fee basis unless the Attorney General determines and puts in writing that requesting proposals is not feasible under the circumstances;
- (3) Specifies the limits on the amount a private attorney may receive in contingency fees under a state contract;
- (4) Requires a government attorney to retain complete control over the course and conduct of the case and the contracted attorney in any contingency fee contract and requires the Attorney General to include provisions in the contract detailing the expectations of both the contracted attorney and the state;
- (5) Requires a copy of any contingency fee contract, the Attorney General's written determination, and payments of contingency fees to be posted on the Attorney General's web site;
- (6) Requires a private attorney under contract with the state on a contingency fee basis to maintain detailed records of his or her services, expenses, and fees, including time records in increments of no greater than 1/10 of an hour for at least four years after the expiration or the termination of the contract and to make the records available for inspection in accordance with the Open Meetings and Records Law, commonly known as the Sunshine Law; and
- (7) Requires the Attorney General to annually submit a report by February 1 to the President Pro Tem of the Senate and the Speaker of the House of Representatives describing the use of contingency fee contracts with private attorneys in the preceding calendar year and specifies the information which must be included in the report.
