HOUSE \_\_\_\_\_ AMENDMENT NO. \_\_\_\_\_

SCHATZ

Offered By

Dist III

1 AMEND HCS #2 HB 1358, Section 1, Page 22,  
2 Line 38, by inserting after all of said line the following:

3  
4 <sup>2.</sup>  
5 “Section ~~1~~. If new lateral sewer pipes or water service lines are installed or connected from or to  
6 an underground facility, as defined in section 219.015, or if such infrastructure is repaired,  
7 replaced, or rehabilitated, the contractor, utility, or person conducting the installation, connection,  
8 repair, replacement, or rehabilitation shall be required to use trace wire, or a similar device  
9 capable of being located by an above surface detection system designed to give approximate  
10 locations of the underground lateral sewer pipe or water service line, to mark the location of such  
11 pipes and lines in those areas that are located within a public right-of-way, easement, or street.”;  
12 and

13 Further amend said bill by amending the title, enacting clause, and intersectional references  
14 accordingly.
