

## HB 1202 -- Juvenile Court Employees' Salaries

Sponsor: Franz

Currently, the salary of any juvenile court employee is limited to his or her state salary. This bill repeals that limitation and allows additional compensation from a county or a city if it is approved by the judge of the juvenile court and the governing body of the city or county providing the compensation. Any contributions from the county cannot apply to the County Employees Retirement System Fund or the State Employees Retirement System Fund.
