

HB 1269 -- Cass County -- The Burnt District Special License Plate

Sponsor: Brattin

This bill revises the provisions regarding the Cass County - The Burnt District special license plate. Currently, the distribution of the required \$25 annual contribution to the Cass County collector for the emblem use authorization must be 80% to public safety and 20% to the county parks and recreation department. The bill changes the distribution to 70% to public safety, 15% to the Cass County Historical Society, and 15% to the county parks and recreation department. The bill specifies that prior to the issuance of the specialty personalized plate, the Department of Revenue must be in receipt of an application as prescribed by the department director and be accompanied by a list of at least 200 potential applicants, the proposed art design for the specialty plate, and an application fee not to exceed \$5,000. The plate cannot be redesigned unless the organization pays the department director in advance for all redesigned plate fees.
