

HB 1281 -- Veteran Identification Driver's License Sticker

Sponsor: Meadows

This bill allows an honorably discharged veteran to apply with the Department of Revenue, beginning on January 1, 2013, to obtain a sticker to be placed on his or her driver's license or identification card indicating veteran status. An eligible veteran must provide documentation from the Missouri Veterans Commission attesting that he or she has been credited with service in the United States armed forces and that his or her status upon discharge was honorable or general under honorable conditions. The commission must develop criteria determining whether an applicant is eligible to receive the veteran designation on a driver's license or identification card. The department director is authorized to determine the appropriate fee, placement, and style of the sticker to be placed on the license or card and to promulgate the rules necessary to implement and administer the provisions of the bill.
