

HB 1473 -- Driver's License Suspensions

Sponsor: Jones (117)

Currently, the filing of a petition for trial de novo appealing a decision of the Department of Revenue to suspend or revoke a driver's license cannot result in a stay of the suspension or revocation order. This bill requires the filing to result in a stay of the suspension or revocation order and requires the department to issue a temporary driving permit that will be valid until a final order is issued following the date of the disposition of the petition.
