

## HB 1475 -- Parental Consent to the Use of a Tanning Device

Sponsor: Cross

This bill requires the parent or guardian of any person younger than 18 years of age prior to the minor using a tanning device in a tanning facility to appear in person at the facility and sign an acknowledgment stating that he or she has read and understands the warnings given by the facility and consents to the minor's use of a tanning device at the facility. The Department of Health and Senior Services must by rule develop a standard consent form to be used by all facilities operating in the state.

Anyone violating the provisions of the bill will be guilty of a class C misdemeanor, and any tanning facility violating the provisions of the bill will be subject to a \$1,000 fine for each violation.
