AN ACT

To repeal section 301.449, RSMo, and to enact in lieu thereof one new section relating to license plates, with an emergency clause.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 301.449, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 301.449, to read as follows:

301.449. **1.** Only a community college or four-year public or private institution of higher education, or a foundation or organization representing the college or institution, located in the state of Missouri may itself authorize or may by the director of revenue be authorized to use the school's official emblem to be affixed on multiyear personalized license plates as provided in this section.

Upon presentation of the annual statement and payment of the fee required for personalized license plates in section 301.144, and other fees and documents which may be required by law, the department of revenue shall issue a personalized license plate, which shall bear the seal, emblem or logo of the institution, to the vehicle owner.
