## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions and Professional Registration** and the **Department of Transportation** each assume the proposal will have no fiscal impact on their respective organizations.

Officials from the **Joint Committee on Administrative Rules** state this legislation is not anticipated to cause a fiscal impact beyond its current appropriation.

Officials from the **Office of the Secretary of State (SOS)** assume many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the Secretary of State's Office for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, we also recognize that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what our office can sustain with our core budget. Therefore, we reserve the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

**Oversight** assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process.

Officials from the **Department of Revenue (DOR)** state procedures will need to be revised by a Management Analyst Specialist I requiring 40 hours at a cost of \$840 in FY 2015.

**Oversight** assumes DOR is provided with core funding to handle a certain amount of activity each year. Oversight assumes DOR could absorb the costs related to this proposal. If multiple bills pass which require additional staffing and duties at substantial costs, DOR could request funding through the appropriation process.

<u>FISCAL IMPACT - State Government</u>	FY 2015 (10 Mo.)	FY 2016	FY 2017

<u>FISCAL IMPACT - Local Government</u>	FY 2015 (10 Mo.)	FY 2016	FY 2017

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

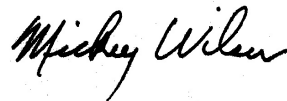

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
