FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions and Professional Registration** estimate that 453 insurers would be required to submit amendments to their policies to comply with the legislation. Policy amendments must be submitted to the department for review along with a \$50 filing fee. One time additional revenues to the Insurance Dedicated Fund are estimated to be up to \$22,650.

Additional staff and expenses are not being requested with this single proposal, but if multiple proposals pass during the legislative session which require policy form reviews the department will need to request additional staff to handle increase in workload.

FISCAL IMPACT - Small Business

Certain small insurance businesses will be required to update their policies with the Department of Insurance, Financial Institutions and Professional Registration. In addition, they will be prohibited from taking adverse actions based on a person's credit score.

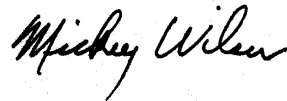

FISCAL DESCRIPTION

This proposal changes the laws regarding the use of credit information when underwriting insurance contracts.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
