81 [5.] 6. A voter shall be allowed to cast a provisional ballot under section 115.430 even
82 if the election judges cannot establish the voter's identity under [subsection 1 of] this section.
83 The election judges shall make a notation on the provisional ballot envelope to indicate that the
84 voter's identity was not verified. The provisional ballot cast by such voter shall not be counted
85 unless:

- 86 (1) The voter returns to the [polling place during the uniform polling hours established
- 87 by section 115.407] **election authority within three days after the election** and provides a form

88 of personal identification that allows the election [judges] **authority** to verify the voter's identity
89 as provided in [subsection 1 of] this section; and

91 [6.] 7. The secretary of state shall provide advance notice of the personal identification
92 requirements of [subsection 1 of] this section in a manner calculated to inform the public
93 generally of the requirement for [photographic] **forms of** personal identification as provided in

100 **vote at no cost to any otherwise qualified voter who does not already possess such**
101 **identification and who desires the identification in order to vote.** Any applicant who requests
102 a nondriver's license with a photograph or digital image for the purpose of voting shall not be
103 required to pay a fee if the applicant executes an affidavit averring that the applicant does not
104 have any other form of [photographic] personal identification that meets the requirements of
105 [subsection 1 of] this section. The state of Missouri shall pay the legally required fees for any
106 such applicant. The director shall design an affidavit to be used for this purpose. [However, any
107 disabled or elderly person otherwise competent to vote shall be issued a nondriver's license photo
108 identification through a mobile processing system operated by the Missouri department of
109 revenue upon request if the individual is physically unable to otherwise obtain a nondriver's
110 license photo identification. The department of revenue shall make nondriver's license photo
111 identifications available through its mobile processing system only at facilities licensed under
112 chapter 198 and other public places accessible to and frequented by disabled and elderly persons.
113 The department shall provide advance notice of the times and places when the mobile processing
114 system will be available. At least nine mobile units housed under the office of administration
115 shall remain available for dispatch upon the request of the department of revenue to fulfill the
116 requirements of this section.] The total cost associated with nondriver's license photo
117 identification under this subsection shall be borne by the state of Missouri from funds
118 appropriated to the department of revenue for that specific purpose. The department of revenue
119 and a local election authority may enter into a contract that allows the local election authority to
120 assist the department in issuing nondriver's license photo identifications.

121 [8.] 9. The director of the department of revenue shall, by January first of each year,
122 prepare and deliver to each member of the general assembly a report documenting the number
123 of individuals who have requested and received a nondriver's license photo identification for the

124 purposes of voting under this section. The report shall also include the number of persons
125 requesting a nondriver's license for purposes of voting under this section, but not receiving such
126 license, and the reason for the denial of the nondriver's license.

127 [9.] 10. The precinct register shall serve as the voter identification certificate. The
128 following form shall be printed at the top of each page of the precinct register: VOTER'S

138 [10.] 11. The secretary of state shall promulgate rules to effectuate the provisions of this
139 section.

140 [11.] 12. Any rule or portion of a rule, as that term is defined in section 536.010, that is
141 created under the authority delegated in this section shall become effective only if it complies
142 with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028.
143 This section and chapter 536 are nonseverable and if any of the powers vested with the general
144 assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and
145 annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and
146 any rule proposed or adopted after August 28, 2002, shall be invalid and void.

147 [12.] 13. If any voter is unable to sign his name at the appropriate place on the certificate
148 or computer printout, an election judge shall print the name and address of the voter in the
149 appropriate place on the precinct register, the voter shall make his mark in lieu of signature, and
150 the voter's mark shall be witnessed by the signature of an election judge.

151 [13. For any election held on or before November 1, 2008, an individual who appears
152 at a polling place without identification in the form described in subsection 1 of this section, and
153 who is otherwise qualified to vote at that polling place, may cast a provisional ballot after:

154 (1) Executing an affidavit which is also signed by two supervising election judges, one
155 from each major political party, who attest that they have personal knowledge of the identity of
156 the voter, provided that the two supervising election judges who sign an affidavit under this
157 subdivision shall not be involved or participate in the verification of the voter's eligibility by the
158 election authority after the provisional ballot is cast; or

159 (2) (a) Executing an affidavit affirming his or her identity; and

- 160 (b) Presenting a form of identification from the following list:

- 167 government document that contains the name and address of the voter; or
- 168 e. Driver's license or state identification card issued by another state. Such provisional
- 169 ballot shall be entitled to be counted, provided the election authority verifies the identity of the
- 170 individual by comparing that individual's signature to the current signature on file with the
- 171 election authority and determines that the individual was otherwise eligible to cast a ballot at the
- 172 polling place where the ballot was cast.

173 14. The affidavit to be used for voting under subsection 13 of this section shall be
 174 substantially in the following form:

175 "State of

184 Signature of Election Official".

185 15. The provisions of subsections 1 to 5 and 8 to 14 of this section shall become
 186 effective August 28, 2006, and this subsection shall expire September 1, 2006.]

115.430. 1. This section shall apply to primary and general elections where candidates
 2 for federal or statewide offices are nominated or elected and any election where statewide issue
 3 or issues are submitted to the voters. **In addition, any person denied the ability to cast a**
 4 **regular ballot because of a lack of photographic identification under section 115.427 shall**
 5 **be allowed to vote by provisional ballot.**

6 [2.] (1) A voter claiming to be properly registered in the jurisdiction of the election
 7 authority and eligible to vote in an election, but whose eligibility at that precinct cannot be
 8 immediately established upon examination of the precinct register, shall be entitled to vote a
 9 provisional ballot after providing a form of personal identification required pursuant to section

10 115.427 or upon executing an affidavit under section 115.427, or may vote at a central polling
11 place as established in section 115.115 where the voter may vote his or her appropriate ballot for
12 his or her precinct of residence upon verification of eligibility or vote a provisional ballot if
13 eligibility cannot be determined. The provisional ballot provided to a voter under this section
14 shall be the ballot provided to a resident of the voter's precinct determined by reference to the
15 affidavit provided for in this section. If the voter declares that the voter is eligible to vote and
16 the election authority determines that the voter is eligible to vote at another polling place, the
17 voter shall be directed to the correct polling place or a central polling place as established by the
18 election authority pursuant to subsection 5 of section 115.115. If the voter refuses to go to the
19 correct polling place or a central polling place, the voter shall be permitted to vote a provisional
20 ballot at the incorrect polling place, but such ballot shall not be counted if the voter was not
21 eligible to vote at that polling place.

22 (2) The following steps shall be taken to establish a voter's eligibility to vote at a polling
23 place:

24 (a) The election judge shall examine the precinct register as provided in section 115.425.
25 If the voter is registered and eligible to vote at the polling place, the voter shall receive a regular
26 ballot;

27 (b) If the voter's eligibility cannot be immediately established by examining the precinct
28 register, the election judge shall contact the election authority. If the election authority cannot
29 immediately establish that the voter is registered and eligible to vote at the polling place upon
30 examination of the Missouri voter registration system, or if the election judge is unable to make
31 contact with the election authority immediately, the voter shall be notified that the voter is
32 entitled to a provisional ballot.

33 (3) The voter shall have the duty to appear and vote at the correct polling place. If an
34 election judge determines that the voter is not eligible to vote at the polling place at which a
35 voter presents himself or herself, and if the voter appears to be eligible to vote at another polling
36 place, the voter shall be informed that he or she may cast a provisional ballot at the current
37 polling place or may travel to the correct polling place or a central polling place, as established
38 by the election authority under subsection 5 of section 115.115, where the voter may cast a
39 regular ballot or provisional ballot if the voter's eligibility still cannot be determined. Provisional
40 ballots cast at a polling place shall be counted only if the voter was eligible to vote at such
41 polling place as provided in subsection 5 of this section.

42 (4) For a voter requesting an absentee ballot in person, such voter shall be entitled to cast
43 a provisional ballot when the voter's eligibility cannot be immediately established upon
44 examination of the precinct registers or the Missouri voter registration system.

45 (5) Prior to accepting any provisional ballot at the polling place, the election judges shall
46 determine that the information provided on the provisional ballot envelope by the provisional
47 voter is consistent with the identification provided by such person under section 115.427.

48 [3.] 2. (1) No person shall be entitled to receive a provisional ballot until such person
49 has completed a provisional ballot affidavit on the provisional ballot envelope.

50 (2) The secretary of state shall produce appropriate sizes of provisional ballot envelopes
51 and distribute them to each election authority according to their tabulating system. All
52 provisional ballot envelopes shall be printed on a distinguishable color of paper that is different
53 from the color of the regular ballot. The provisional ballot envelope shall be in the form required
54 by subsection 4 of this section. All provisional ballots shall be marked with a conspicuous stamp
55 or other distinguishing mark that makes them readily distinguishable from the regular ballots.

56 (3) Once voted, the provisional ballot shall be placed and sealed in a provisional ballot
57 envelope.

58 [4.] 3. The provisional ballot in its envelope shall be deposited in the ballot box. The
59 provisional ballot envelope shall be completed by the voter for use in determining eligibility.
60 The provisional ballot envelope specified in this section shall contain a voter's certificate which
61 shall be in substantially the following form:

63 COUNTY OF

64 I do solemnly swear (or affirm) that my name is; that my date of birth is
65; that the last four digits of my Social Security Number are; that I am
66 registered to vote in County or City (if a City not within a County), Missouri; that
67 I am a qualified voter of said County (or City not within a County); that I am eligible to vote at
68 this polling place; and that I have not voted in this election.

69 I understand that if the above-provided information is not correct and the election
70 authority determines that I am not registered and eligible to vote, my vote will not be counted.
71 I further understand that knowingly providing false information is a violation of law and subjects
72 me to possible criminal prosecution.

80 The voter may provide additional information to further assist the election authority in
81 determining eligibility, including the place and date the voter registered to vote, if known.

82 [5.] 4. (1) Prior to counting any provisional ballot, the election authority shall determine
83 if the voter is registered and eligible to vote and if the vote was properly cast. The eligibility of
84 provisional votes shall be determined according to the requirements for a voter to cast a ballot
85 in the election as set forth in sections 115.133 and 115.135. A provisional voter ballot shall not
86 be eligible to be counted until the election authority has determined that:

87 (a) The voter cast such provisional ballot at a polling place established for the voter or
88 the central polling place established by the election authority under subsection 5 of section
89 115.115;

90 (b) The individual who cast the provisional ballot is an individual registered to vote in
91 the respective election at the polling place where the ballot was cast;

92 (c) The voter did not otherwise vote in the same election by regular ballot, absentee
93 ballot, or otherwise; and

94 (d) The information on the provisional ballot envelope is found to be correct, complete,
95 and accurate.

96 (2) When the ballot boxes are delivered to the election authority from the polling places,
97 the receiving teams shall separate the provisional ballots from the rest of the ballots and place
98 the sealed provisional ballot envelopes in a separate container. Teams of election authority
99 employees or teams of election judges with each team consisting of one member of each major
100 political party shall photocopy each provisional ballot envelope, such photocopy to be used by
101 the election authority to determine provisional voter eligibility. The sealed provisional ballot
102 envelopes shall be placed by the team in a sealed container and shall remain therein until
103 tabulation.

104 (3) To determine whether a provisional ballot is valid and entitled to be counted, the
105 election authority shall examine its records and verify that the provisional voter is properly
106 registered and eligible to vote in the election. If the provisional voter has provided information
107 regarding the registration agency where the provisional voter registered to vote, the election
108 authority shall make an inquiry of the registration agency to determine whether the provisional
109 voter is properly registered and eligible to vote in the election.

110 (4) If the election authority determines that the provisional voter is registered and eligible
111 to vote in the election, the election authority shall provide documentation verifying the voter's
112 eligibility. Such documentation shall be noted on the copy of the provisional ballot envelope and
113 shall contain substantially the following information:

114 (a) The name of the provisional voter;

115 (b) The name of the reviewer;

- 116 (c) The date and time; and
- 117 (d) A description of evidence found that supports the voter's eligibility.
- 118 (5) The local election authority shall record on a provisional ballot acceptance/rejection
119 list the provisional ballot identification number and a notation marking it as accepted.
- 120 (6) If the election authority determines that the provisional voter is not registered or
121 eligible to vote in the election, the election authority shall provide documentation verifying the
122 voter's ineligibility. Such documentation shall be noted on the copy of the provisional ballot
123 envelope and shall contain substantially the following information:
- 124 (a) The name of the provisional voter;
- 125 (b) The name of the reviewer;
- 126 (c) The date and time;
- 127 (d) A description of why the voter is ineligible.
- 128 (7) The local election authority shall record on a provisional ballot acceptance/rejection
129 list the provisional ballot identification number and notation marking it as rejected.
- 130 (8) If rejected, a photocopy of the envelope shall be made and used by the election
131 authority as a mail-in voter registration. The actual provisional ballot envelope shall be kept as
132 ballot material, and the copy of the envelope shall be used by the election authority for
133 registration record keeping.
- 134 [6.] 5. All provisional ballots cast by voters whose eligibility has been verified as
135 provided in this section shall be counted in accordance with the rules governing ballot tabulation.
136 Provisional ballots shall not be counted until all provisional ballots are determined either eligible
137 or ineligible and all provisional ballots must be processed before the election is certified. The
138 provisional ballot shall be counted only if the election authority determines that the voter is
139 registered and eligible to vote. Provisional ballots voted in the wrong polling place shall not be
140 counted. If the voter is not registered but is qualified to register for future elections, the affidavit
141 shall be considered a mail-in application to register to vote pursuant to this chapter.
- 142 [7.] 6. (1) After the election authority completes its review of the provisional voter's
143 eligibility under subsection 5 of this section, the election authority shall deliver the provisional
144 ballots and copies of the provisional ballot envelopes that include eligibility information to
145 bipartisan counting teams, which may be the board of verification, for review and tabulation.
146 The election authority shall maintain a record of such delivery. The record shall include the
147 number of ballots delivered to each team and shall include a signed receipt from two judges, one
148 from each major political party. The election authority shall provide each team with a ballot box
149 and material necessary for tabulation.
- 150 (2) If the person named on the provisional ballot affidavit is found to have been properly
151 qualified and registered to cast a ballot in the election and the provisional ballot otherwise

152 qualifies to be counted under the provisions of this section, the envelope shall be opened, and
 153 the ballot shall be placed in a ballot box to be counted.

154 (3) If the person named on the provisional ballot affidavit is found not to have been
 155 properly qualified and registered to cast a ballot in the election or if the election authority is
 156 unable to determine such person's right to vote, the envelope containing the provisional ballot
 157 shall not be opened, and the person's vote shall not be counted. The members of the team shall
 158 follow the procedures set forth in subsection [5] 4 of this section for rejected provisional ballots.

159 (4) The votes shall be tallied and the returns made as provided in sections 115.447 to
 160 115.525 for paper ballots. After the vote on all ballots assigned to a team have been counted,
 161 the ballots, ballot envelopes, and copies of ballot envelopes with the eligibility information
 162 provided by the election authority shall be enclosed in sealed containers marked "Voted
 163 provisional ballots and ballot envelopes from the election held, 20...". All rejected
 164 provisional ballots, ballot envelopes, and copies of ballot envelopes with the eligibility
 165 information provided by the election authority shall be enclosed in sealed containers marked
 166 "Rejected provisional ballots and ballot envelopes from the election held, 20...".
 167 On the outside of each voted ballot and rejected ballot container, each member of the team shall
 168 write their name and all such containers shall be returned to the election authority. Upon receipt
 169 of the returns and ballots, the election authority shall tabulate the provisional votes.

170 [8.] 7. Challengers and watchers, as provided by sections 115.105 and 115.107, may be
 171 present during all times that the bipartisan counting teams are reviewing or counting the
 172 provisional ballots, the provisional ballot envelopes, or copies of the provisional ballot envelopes
 173 that include eligibility information provided by the election authority. Challengers and watchers
 174 shall be permitted to observe the determination of the eligibility of all provisional ballots. The
 175 election authority shall notify the county chair of each major political party of the time and
 176 location when bipartisan counting teams will be reviewing or counting the provisional ballots,
 177 the provisional ballot envelopes, or the copies of the provisional ballot envelopes that include
 178 the eligibility information provided by the election authority.

179 [9.] 8. The certificate of ballot cards shall:

- 180 (1) Reflect the number of provisional envelopes delivered; and
- 181 (2) Reflect the number of sealed provisional envelopes with voted ballots deposited in
 182 the ballot box.

183 [10.] 9. In counties where the voting system does not utilize a paper ballot, the election
 184 authority shall provide the appropriate provisional ballots to each polling place.

185 [11.] 10. The secretary of state may promulgate rules for purposes of ensuring the
 186 uniform application of this section. No rule or portion of a rule promulgated pursuant to the

187 authority of this section shall become effective unless it has been promulgated pursuant to
188 chapter 536.

189 [12.] **11.** The secretary of state shall design and provide to the election authorities the
190 envelopes and forms necessary to carry out the provisions of this section.

191 [13.] **12.** Pursuant to the Help America Vote Act of 2002, the secretary of state shall
192 ensure a free access system is established, such as a toll-free number or an internet website, that
193 any individual who casts a provisional ballot may access to discover whether the vote of that
194 individual was counted, and, if the vote was not counted, the reason that the vote was not
195 counted. At the time an individual casts a provisional ballot, the election authority shall give the
196 voter written information that states that any individual who casts a provisional ballot will be
197 able to ascertain under such free access system whether the vote was counted, and if the vote was
198 not counted, the reason that the vote was not counted.
