22 Members of the commission shall be disqualified from holding office as members of the
23 general assembly for four years following the date of the filing by the commission of its final
24 statement of apportionment.

25 For the purposes of this article, the term congressional district committee or

27 from which a congressman was last elected, or, in the event members of congress from this state

46 Not later than five months after the appointment of the commission, the commission shall
47 file with the secretary of state a tentative plan of apportionment and map of the proposed districts
48 and during the ensuing fifteen days shall hold such public hearings as may be necessary to hear

54 After the statement is filed members of the house of representatives shall be elected
55 according to such districts until a reapportionment is made as herein provided, except that if the
56 statement is not filed within six months of the time fixed for the appointment of the commission,
57 it shall stand discharged and the house of representatives shall be apportioned by a commission
58 of six members appointed from among the judges of the appellate courts of the state of Missouri
59 by the state supreme court, a majority of whom shall sign and file its apportionment plan and

63 Each member of the commission shall receive as compensation fifteen dollars a day for

2 for each decennial census of the United States, and within sixty days after notification by the
3 governor that **either** a reapportionment has been invalidated by a court of competent jurisdiction
4 **or an amendment has been passed altering the number of members**, the state committee of
5 each of the two political parties casting the highest vote for governor at the last preceding
6 election shall, at a committee meeting duly called, select by a vote of the individual committee
7 members, and thereafter submit to the governor a list of ten persons, and within thirty days

11 If either of the party committees fails to submit a list within such time the governor shall
12 appoint five members of his own choice from the party of the committee so failing to act.

13 Members of the commission shall be disqualified from holding office as members of the
14 general assembly for four years following the date of the filing by the commission of its final
15 statement of apportionment.

16 The commissioners so selected shall on the fifteenth day, excluding Sundays and
17 holidays, after all members have been selected, meet in the capitol building and proceed to
18 organize by electing from their number a chairman, vice chairman and secretary and shall adopt
19 an agenda establishing at least three hearing dates on which hearings open to the public shall be
20 held. A copy of the agenda shall be filed with the secretary of the senate within twenty-four
21 hours after its adoption. Executive meetings may be scheduled and held as often as the
22 commission deems advisable.

28 equal as practicable in population. Any county with a population in excess of the quotient
29 obtained by dividing the population of the state by the number [thirty-four] **forty** is hereby
30 declared to be a multi-district county.

31 Not later than five months after the appointment of the commission, the commission shall
32 file with the secretary of state a tentative plan of apportionment and map of the proposed districts
33 and during the ensuing fifteen days shall hold such public hearings as may be necessary to hear
34 objections or testimony of interested persons.

35 Not later than six months after the appointment of the commission, the commission shall
36 file with the secretary of state a final statement of the numbers and the boundaries of the districts
37 together with a map of the districts, and no statement shall be valid unless approved by at least
38 seven members.

39 After the statement is filed senators shall be elected according to such districts until a
40 reapportionment is made as herein provided, except that if the statement is not filed within six
41 months of the time fixed for the appointment of the commission, it shall stand discharged and
42 the senate shall be apportioned by a commission of six members appointed from among the
43 judges of the appellate courts of the state of Missouri by the state supreme court, a majority of
44 whom shall sign and file its apportionment plan and map with the secretary of state within ninety

45 days of the date of the discharge of the apportionment commission. Thereafter senators shall be
46 elected according to such districts until a reapportionment is made as herein provided.

47 Each member of the commission shall receive as compensation fifteen dollars a day for
48 each day the commission is in session, but not more than one thousand dollars, and, in addition,
49 shall be reimbursed for his actual and necessary expenses incurred while serving as a member
50 of the commission.

51 No reapportionment shall be subject to the referendum.
