

HB 1152 -- DISTRIBUTION OF A CONTROLLED SUBSTANCE NEAR A CHILD CARE FACILITY

SPONSOR: Pace

This bill specifies that a person commits the crime of distribution of a controlled substance near a child care facility, a class A felony, if he or she unlawfully distributes or delivers any controlled substance in violation of Section 195.211, RSMo, to a person in or on, or within 200 feet of the property comprising a child care facility as specified in Section 210.201 or a child placing agency or residential care facility as specified in Section 210.481.

A defendant found by the court to be a persistent drug offender must serve his or her term without probation or parole.
