

HB 1797 -- DRIVER'S LICENSE SUSPENSIONS

SPONSOR: Jones (50)

Currently, a petition for a trial de novo on an order suspending or revoking a driver's license is prohibited from resulting in a stay of the order. This bill specifies that the petition must result in a stay, and that the Department of Revenue will issue a temporary driving permit which must be valid until a final order is issued following the date of the disposition of the petition for a trial de novo.
