

## HB 1833 -- SWEEPSTAKES TERMINAL DEVICES

SPONSOR: Davis

This bill allows any charitable organization to sponsor raffles and sweepstakes under Article III, Section 39(f) of the Missouri Constitution. Sweepstakes may be conducted by sweepstakes terminal devices if they are located on the premises of a charitable organization. A sweepstakes may offer chances to win based on contributions to the charity, but must also provide an alternative method to obtain a chance to win without the participant contributing anything of value in return for the right to participate. The terminal device may display the prizes awarded by the sweepstakes through simulated casino-type games, but the simulations must be for entertainment purposes only and cannot have an effect on the chances to win.
