

HB 1987 -- ASSESSMENT IN NEWLY CREATED POLITICAL SUBDIVISIONS

SPONSOR: Dohrman

This bill specifies that for purposes of assessment, any newly created political subdivision that is created by approval of the voters before July 1 of any assessment year will be considered effective upon certification of the vote. If the new political subdivision is created by approval of the voters on or after July 1 of the current assessment year, it will be considered effective for assessment purposes in the following assessment year.
