

HB 2057 -- FEDERAL FINES IMPOSED ON STATE DEPARTMENTS

SPONSOR: Brown

This bill requires any state department or agency that receives a federal supplement to its funding and also experiences a reduction in federal funds or grant moneys due to a federally imposed fine or penalty to notify the Governor, Speaker of the House of Representatives, President Pro Tem of the Senate, Chief Clerk of the House of Representatives, and Secretary of the Senate in writing within 30 days of the notification with specified information. The Secretary of the Senate and the Chief Clerk of the House of Representatives must notify all members of his or her respective chamber of the receipt of a notification and must provide, upon request, a copy of all information in the notification to any member.
