

HB 2106 -- COMMERCIAL MOBILE SERVICE PROVIDERS

SPONSOR: Curtis

This bill requires commercial mobile service providers operating in Missouri to provide the Missouri Public Service Commission with a specified description of all plans, packages, or similar agreements offered for sale to a customer including all charges, fees, rates, taxes, and any other costs associated with a plan, package, or agreement. The commission must organize and update the information on the commission's website in a manner convenient for customer research and comparison.
