

HB 2288 -- SERVICE OF PROCESS IN A CIVIL ACTION

SPONSOR: Moon

Currently, the service of a petition and summons in a civil action on specified defendants may be made by the plaintiff by mailing a copy of the summons and petition by first-class mail, postage prepaid, to the person to be served. This bill repeals that provision and specifies that service may be made by mailing a copy of the summons and petition by certified mail with return receipt requested, postage prepaid, to the person to be served.
