

HB 2299 -- COUNTIES WITH UNACCREDITED SCHOOLS

SPONSOR: Curtis

When a children's services tax is established in a county that contains a school district that has been designated as unaccredited or provisionally accredited, 10% of each fiscal year's revenues must be devoted to a grant program that delivers services directly to schools in the district. The board of directors must undertake a needs assessment of the school district and appoint three of its members to a coordinating committee, which will provide recommendations about and oversight of the program.
