

HCS HRB 1298 -- OBSOLETE AND EXPIRED STATUTES

SPONSOR: Flanigan

COMMITTEE ACTION: Voted "Do Pass" by the Committee on Rules by a vote of 10 to 0.

This revision bill repeals various expired, obsolete, ineffective, and sunset provisions of Missouri statutes as identified and endorsed by the Joint Committee on Legislative Research in its 2014 Annual Report.

PROPONENTS: Supporters say that this bill repeals various obsolete statutes that have been endorsed by the Joint Committee on Legislative Research.

Testifying for the bill was Representative Flanigan.

OPPONENTS: There was no opposition voiced to the committee.

OTHERS: Others testifying, for informational purposes only, said this bill is a collaborative effort between the Joint Committee on Legislative Research and the various state agencies. The Missouri Optometric Association wants to take Section 167.194, RSMo, out of the bill.

Testifying was Sandy Lueckenhoff, Legislative Research; Lori Strong-Goeke, Office of Administration; and Missouri Optometric Association.
