

HCS SB 504 -- ELECTRONIC POSTING OF PROPOSED RULES BY STATE  
AGENCIES

This bill requires a state agency to make proposed rules available to the public by providing a link on its official website to the web page that contains the text of the proposed rule as filed, a fiscal note and summary for the proposed rule, as well as a direct link to the rule and material incorporated by reference in the Missouri Register. This information must be made available on the website within one business day of the publication of the proposed rule in the Missouri Register.
