AN ACT

To amend chapter 610, RSMo, by adding thereto one new section relating to accessibility of information acquired by law enforcement.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 610, RSMo, is amended by adding thereto one new section, to be known as section 610.057, to read as follows:

610.057. Except as provided by this section, any information acquired by a law enforcement agency or a first responder agency by way of a dashboard camera in the agency's patrol vehicle or a body camera on a law enforcement officer shall be inaccessible to the general public. Information consisting of the date, time, specific location, and immediate facts and circumstances surrounding the incident recorded on such devices shall be considered to be an incident report and subject to section 610.100. Any closed records under this section shall be available upon request by law enforcement agencies or the division of workers' compensation or pursuant to a valid court order authorizing disclosure upon motion and good cause shown.
