## FISCAL ANALYSIS

### ASSUMPTION

**Oversight** was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

#### § 311.475 - Domestic Wine Production Regulations:

Officials from the **Office of the Secretary of State (SOS)** state many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with the core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

**Oversight** assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process.

Officials from the **Office of Administration - Division of Budget and Planning, Department of Public Safety - Division of Alcohol and Tobacco Control, Joint Committee on Administrative Rules** each assume the proposal would not fiscally impact their respective agencies.

| <u>FISCAL IMPACT - State Government</u> | FY 2016<br>(10 Mo.) | FY 2017    | FY 2018    |
|---|---------------------|------------|------------|
|   | <u>\$0</u>          | <u>\$0</u> | <u>\$0</u> |
| <u>FISCAL IMPACT - Local Government</u> | FY 2016<br>(10 Mo.) | FY 2017    | FY 2018    |
|   | <u>\$0</u>          | <u>\$0</u> | <u>\$0</u> |

FISCAL IMPACT - Small Business

§ 311.475 - Domestic Wine Production Regulations:

This proposal would require small business wineries selling domestic wines at retail to only sell certified wines from grapes grown in the United States and harvested by verified United States citizens. A direct fiscal impact to small business wineries would be expected from this proposal.

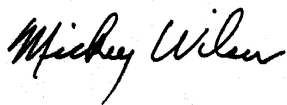

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
