## FISCAL ANALYSIS

### ASSUMPTION

**Oversight** was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

In response to similar legislation from the prior year (SB 553), all state agencies responding to Oversight's request for a statement of fiscal impact assumed the proposal would not have a fiscal impact on their organization. However, there are differences between the prior year and current legislation. For purposes of this fiscal note, **Oversight** assumes the proposal will not have a fiscal impact on the state or local governments.

Officials from the **Department of Mental Health** and the **Joint Committee on Administrative Rules (JCAR)** each assume the proposal would not fiscally impact their respective agencies.

<u>FISCAL IMPACT - State Government</u>	FY 2016 (10 Mo.)	FY 2017	FY 2018
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2016 (10 Mo.)	FY 2017	FY 2018
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

### FISCAL IMPACT - Small Business

The provisions of this proposal may have an impact on small business home- and community-based service providers as they will be required to have, maintain, and use an Electronic Visit Verification system for the delivery of services to their clients if they are not already using such a system.

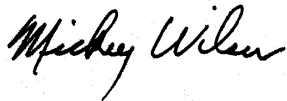

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
