**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from **Department of Health and Senior Services**, the **Department of Mental Health**, the **Department of Social Services**, the **Joint Committee on Administrative Rules** and the **Office of Administration, Information Technology Services Division** each assume the proposal would not fiscally impact their respective agencies.

In response to an earlier version of this proposal, officials from the **Office of the Secretary of State (SOS)** stated many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with the core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

**Oversight** assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process.

<u>FISCAL IMPACT - State Government</u>	FY 2016 (10 Mo.)	FY 2017	FY 2018

<u>FISCAL IMPACT - Local Government</u>	FY 2016 (10 Mo.)	FY 2017	FY 2018
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

The provisions of this proposal may have an impact on small business home- and community-based service providers as they will be required to have, maintain, and use an Electronic Visit Verification system for the delivery of services to their clients if they are not already using such a system.

FISCAL DESCRIPTION

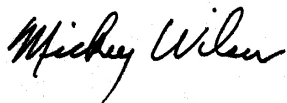

The proposed legislation appears to have no direct fiscal impact.

This proposal contains an emergency clause.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
