

HB 337 -- WORKERS COMPENSATION

SPONSOR: McGaugh

This bill adds employers in the following types of industries to the types of employers that must have workers compensation insurance if they have only one or more employees:

- (1) Healthcare and social assistance activities classified as NAICS 62;
- (2) Manufacturing activities classified as NAICS 31-33;
- (3) Retail trade activities classified as NAICS 44-45;
- (4) Transportation and warehousing activities classified as 48-49;
- (5) Construction activities classified as NAICS 23;
- (6) Surveying and mapping services activities classified as NAICS 541370;
- (7) Geophysical surveying and mapping services activities classified as NAICS 541360; and
- (8) Engineering services activities classified as NAICS 541330.

Currently only construction industry employers are deemed employers for workers compensation if they have one or more employees; all other non-construction industry employers are not deemed employers for workers compensation purposes unless they have five or more employees.
