By July 1, 2016, the Department of Social Services, in cooperation with the Department of Health and Senior Services and the Department of Mental Health, must make recommendations based on the findings of the committee and report them to the General Assembly and the Governor.

The provisions of the bill will expire on January 1, 2017.

HCA 1: Changes the sustainability time frame year from 2019 to 2018

PROPOSERS: Supporters say that this is a federal program that will last through 2018. This bill would create a committee to research the feasibility of extending and continuing the program beyond 2018. The program facilitates the movement of Missourians who are aged or with disabilities from high quality, intensive care settings to quality community centers. The program creates great cost savings, but also great quality of life improvements for those who receive services through the program.

Testifying for the bill were Representative Lair; LeadingAge Missouri; Kevin Gadsey, Paraguard; Suzan Weller; Andrew Lackey, Missouri Developmental Disability Council; Leslie Anderson, Services For Independent Living; Marty Exline, Missouri Assistive Technology; and Karen Burnell Rugg, Southwest Center For
