

HB 737 -- LOW-INCOME HOUSING TAX CREDITS

SPONSOR: Davis

This bill defines a qualified allocation plan, for the purposes of low-income housing tax credits, as any plan with selection criteria to be used to determine housing priorities, which must provide that veterans be recognized as a priority tenant population with special housing needs. Under these provisions, a veteran is any person who:

(1) Served in the active military, naval, or air service, and was discharged or released under conditions other than dishonorable, as evidenced by a DD Form 214 certificate of release or discharge from active duty; or

(2) Served on active national guard duty under Titles 10 or 32 of the United States Code or under Chapter 41, as evidenced by a NGB Form 22 report of separation and record of service.

For the purposes of this section, the term veteran includes his or her surviving spouse.
