Officials from the **Attorney General's Office** assume that any potential costs arising from this proposal could be absorbed with existing resources.

Officials from the **Office of Administration - Division of Facilities Management, Design and Construction (FMDC)** state currently, they have a promulgated regulation that prohibits, with certain significant exceptions, the carrying of firearms or other weapons onto state property including parking lots and structures (1 CSR 35-1.050). FMDC would have to create and promulgate a new or amended regulation to be consistent with the terms of this bill.
