FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions and Professional Registration** assume the department can absorb the additional workload that would result from receiving and tracking the surety bonds within existing appropriations. However, should the workload be more than anticipated, the department would request additional appropriation and/or FTE through the budget process.

Officials from the **Office of Prosecution Services, the Office of the State Courts Administrator, the Office of the State Public Defender, the Department of Public Safety - Missouri Highway Patrol, and the Department of Corrections** each assume the current proposal would not fiscally impact their respective agencies.

<u>FISCAL IMPACT - State Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019

<u>FISCAL IMPACT - Local Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019

FISCAL IMPACT - Small Business

Navigators in the state may be fiscally impacted by the changes in licensure procedures based on this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
