**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Department of Public Safety - Missouri Highway Patrol** and the **Department of Corrections** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Attorney General's Office** assume that any potential costs arising from this proposal could be absorbed with existing resources.

Officials from the **Cole County Sheriff's Office** state there may be minimal fiscal impact as it applies to training. Additional costs occur as a Sheriff chooses to call on other counties for Deputy support.

**Oversight** assumes §57.111 is permissive to Sheriffs and will not reflect a fiscal impact to local counties.

In response to a previous version, officials from **St. Louis County, Springfield Police Department**, and the **Boone County Sheriff's Office** each assumed the proposal would not create a fiscal impact.

<u>FISCAL IMPACT - State Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2017 (10 Mo.)	FY 2018	FY 2019

**FISCAL IMPACT - Small Business**

No direct fiscal impact to small businesses would be expected as a result of this proposal.

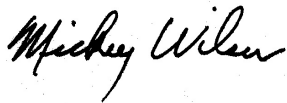

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
