FISCAL ANALYSIS

ASSUMPTION

Oversight was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Oversight notes this proposal requires any action to increase or impose a tax, license, fee, or levy in any political subdivision to be placed on the ballot on the general election day. Oversight assumes this may impact the timing of when measures are put before voters; however, Oversight assumes this would not have a direct fiscal impact. Oversight assumes a greater voter turnout would occur during general elections.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
