FISCAL ANALYSIS

ASSUMPTION

Officials at the **Department of Economic Development (DED)** assume §620.1915 creates the Missouri International Business Advertising Fund in the state treasury. It will consist of appropriated money, gifts, grants, etc for the purpose of attracting international businesses to Missouri. Funds must be used for advertising the benefits of coming to Missouri. The fund will be managed by the Missouri Small Business, Technology and Development Center. The State Treasurer will be custodian and approve disbursements. The Missouri Small Business, Technology and Development Center must establish a committee with 3-5 people to use the funds.

DED manages a similar fund created under §33.564, the International Promotions Revolving Fund, which is already established for this intended purpose. Additionally, the Economic Development Advancement Fund was created under §620.1900 to further enhance marketing efforts for the department. DED cannot estimate how much will be appropriated or donated to the Missouri International Business Advertising Fund.

Officials at the **Office of the State Treasurer** assume no fiscal impact from this proposal to their organization.

Oversight is unable to determine the amount of money that could be appropriated into the Missouri International Business Advertising Fund. Therefore, Oversight will show the fiscal impact as \$0 (no money appropriated) to an Unknown amount.
