## FISCAL ANALYSIS

### ASSUMPTION

**Oversight** was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

In response to similar legislation from the prior session (HB 1133/LR# 2324-01), officials from the **Department of Health and Senior Services** assumed the proposal would not fiscally impact their agency.

In response to the current proposal, officials from the **Department of Mental Health** and the **Office of State Courts Administrator** each assume the proposal would not fiscally impact their respective agencies.

**Oversight** assumes the proposal will have no fiscal impact.
