146 of this section, or resources, of any person claiming or for whom public assistance is claimed,
147 there shall be disregarded any life insurance policy, or prearranged funeral or burial contract, or
148 any two or more policies or contracts, or any combination of policies and contracts, which
149 provides for the payment of one thousand five hundred dollars or less upon the death of any of
150 the following:

151 (1) A claimant or person for whom benefits are claimed; or
152 (2) The spouse of a claimant or person for whom benefits are claimed with whom he or
153 she is living. If the value of such policies exceeds one thousand five hundred dollars, then the
154 total value of such policies may be considered in determining resources; except that, in the case
155 of temporary assistance for needy families, there shall be disregarded any prearranged funeral
156 or burial contract, or any two or more contracts, which provides for the payment of one thousand

166 to last for thirty days or more, the institutionalized spouse, or the community spouse, may request
167 an assessment by the family support division of total countable resources owned by either or both
168 spouses;

169 (2) That the assessed resources of the institutionalized spouse and the community spouse
170 may be allocated so that each receives an equal share;

171 (3) That upon an initial eligibility determination, if the community spouse's share does
172 not equal at least twelve thousand dollars, the institutionalized spouse may transfer to the
173 community spouse a resource allowance to increase the community spouse's share to twelve
174 thousand dollars;

175 (4) That in the determination of initial eligibility of the institutionalized spouse, no
176 resources attributed to the community spouse shall be used in determining the eligibility of the

195 rule or regulation in conformance with applicable federal statutes and regulations a definition of
196 the home and when the home shall be considered a resource that shall be considered in
197 determining eligibility.

198 10. Reimbursement for services provided by an enrolled Medicaid provider to a recipient
199 who is duly entitled to Title XIX Medicaid and Title XVIII Medicare Part B, Supplementary
200 Medical Insurance (SMI) shall include payment in full of deductible and coinsurance amounts
