

SECOND REGULAR SESSION

HOUSE BILL NO. 2805

98TH GENERAL ASSEMBLY

INTRODUCED BY REPRESENTATIVE ENGLER.

6872H.021

D. ADAM CRUMBLISS, Chief Clerk

AN ACT

To amend chapter 99, RSMo, by adding thereto one new section relating to public bodies participating in land clearance projects.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 99, RSMo, is amended by adding thereto one new section, to be known as section 99.585, to read as follows:

99.585. In addition to the powers granted under section 99.580, the state of Missouri, acting through the department of economic development and the office of administration, and any other public body, may, upon such terms, with reasonable consideration, as it may determine, appropriate funds for the purpose of aiding and cooperating in the planning, undertaking, or carrying out of a land clearance project or projects within the area in which the public body is authorized to act to develop, construct, reconstruct, rehabilitate, repair, or improve any tourism infrastructure facilities within such land clearance project area or areas. As used in this section, "tourism infrastructure facilities" means convention centers, multipurpose sports and entertainment venues, exhibition and trade facilities, transportation facilities, cultural facilities, field houses, indoor and outdoor convention and recreational facilities and centers, playing fields, or parking facilities owned by any public body, and which the authority determines are a contributing factor in the attraction of convention, sports, recreational, transportation, cultural, and meeting activities, either professional or amateur, commercial or private. Any annual appropriation by a public body for such land clearance projects related to tourism infrastructure facilities shall be limited to a portion of tax revenues derived directly or indirectly from any such land clearance project or projects supported by such
