

HB 1385 -- HEALTH EXCHANGE NAVIGATOR LICENSING

SPONSOR: English

This bill requires an applicant for a navigator license to take an exam administered by the Department of Insurance, Financial Institutions and Professional Registration or an independent testing service contracted by the department. No other type of certification examination will be allowed regardless of the purpose of the examination.

Each licensed navigator shall furnish a surety bond or other form of financial responsibility to protect individuals against negligence of the navigator.

This bill is the same as HB 1243 (2015).
