

HB 1419 -- GIFTED EDUCATION

SPONSOR: Pfautsch

This bill modifies provisions relating to gifted education.

The bill prohibits school districts from determining whether a child is gifted based on the child's participation in an advanced placement course or international baccalaureate course. Whether a child is gifted must be determined using the statutory definition of "gifted children" (Section 162.720, RSMo).

Beginning in the 2017-2018 school year, a school district will incur a reduction in funding if it experiences a decrease in its gifted program enrollment of more than 20%. If a school district experiences a decrease of 20% or more in its gifted program enrollment, an amount equal to the product of the difference between the number of students enrolled in the gifted program in the current school year and the number of students enrolled in the previous school year multiplied by \$680 must be subtracted from the school district's current year payment amount (Section 163.031).

This bill is similar to HB 637 (2015).
