

HB 1745 -- SEMITRAILER REGISTRATION REQUIREMENT (Brattin)

COMMITTEE OF ORIGIN: Standing Committee on Transportation

Currently, only a trailer or semitrailer that is operated coupled to a towing vehicle by a fifth wheel and kingpin assembly or by a trailer converter dolly may permanently register the trailer upon the payment of a \$52.50 fee. The bill allows any trailer or semitrailer to be permanently registered.

This bill also changes the inspection and licensure requirements for boat manufacturers and dealers to reflect the consolidation of the Missouri Water Patrol into the Missouri State Highway Patrol.

This bill is similar to HB 694 (2015).
