

HB 1773 -- ELECTED LOCAL GOVERNMENT LOBBYIST

SPONSOR: Dogan

This bill includes the \$50 expenditure requirement for registration as a lobbyist in the definition of an elected local government official lobbyist so that persons lobbying for local officials will need to register only if they expend \$50 or more during a year. The current exception to registration is for those lobbying in towns, villages, and cities with less than a \$10 million annual operating budget.
