

HB 1880 -- PREVAILING WAGE

SPONSOR: Lant

This bill modifies the definition of "construction" for the purposes of prevailing wage laws. The definition of "maintenance work" is also modified to include repairs that restore existing facilities to a previous state or condition, or improve the utility or enhance the appearance of existing facilities provided that the size, type, or extent of the existing facilities is not thereby changed or increased. Maintenance further includes any improvement done that does not exceed the original cost of the facility.

The changes in the bill do not apply to charter counties.

This bill is similar to SB 606 (2016).
