

HCS HB 1930 -- REPORTING DOMESTIC VIOLENCE INCIDENT (Franklin)

COMMITTEE OF ORIGIN: Standing Committee on Public Safety and  
Emergency Preparedness

This bill establishes the requirement that every law enforcement agency must submit crime incident reports for the month to the Department of Public Safety by the 20th of the following month and requires the State Highway Patrol to include incidents of domestic violence, regardless of whether an arrest is made in the annual crime report.

The bill requires every public institution of higher education to enter into a memorandum of understanding with local law enforcement agencies concerning sexual assault, domestic violence, dating violence, and stalking, as defined in the federal Higher Education Act of 1965, 20 U.S.C. Section 1092(f), involving students both on and off campus. The memorandum must contain procedural requirements for reporting an offense, protocol for establishing who has jurisdiction, and criteria for determining when an offense is to be reported to law enforcement.
